Help us become an "Eco School" Our school is committed to developing an understanding of our place in the environment, and to promoting positive measures which will reduce our collective global footprint. We are therefore applying for Eco School Status this year and need volunteer parents and pupils to form an action team to take this application forward. We are holding a meeting on Wednesday 12th September at 3.30pm in Western building. If you would like to contribute or just want to find out more, do come along. Further information on www.eco-schools.org.uk
